

SHERPASCOPIC - GATE GUARDRAIL

STURDY AND ALL-TERRAIN PLATFORM

The Sherpascopic gate is an exceptional telescopic work platform, delivering particularly impressive performances in even the most demanding work environments. Safety is a must: Sherpascopic gate meets the applicable French and European safety standards and its gate guardrail closes and locks automatically each time a user passes through it.

Work in comfort, always: Sherpascopic is easy to transport and features an intuitive height adjustable system, allowing it to quickly adapt to different worksite set-ups. A responsible product: Sherpascopic has been designed to respond to CSR challenges, such as sustainability, recyclability, and repairability, at every stage of its life span, from manufacturing to end-of-life.
