

# RAPTORSCOPIC - STRAPS GUARDRAIL

## Versatile compact platform

Raptorscopic Straps is the only economic telescopic model on the market. This lightweight, compact and versatile platform combines all of the qualities you need.

Safety first: Raptorscopic is fully compliant with the applicable French standards.

Practical: This platform features a detachable tray which can support weights up to 25 kg and an intuitive height adjustment system.

Eco-designed: This product has been designed to respond to CSR challenges, such as sustainability, reparability, and recyclability.

|                 |                                  |
|-----------------|----------------------------------|
| Class           | Professional                     |
| Use             | Regular                          |
| Type of floor   | Flat/Uneven surface              |
| Material        | Aluminum                         |
| Max load (kg)   | 150                              |
| Warranty (year) | 5                                |
| Standard        | PIRL NF P 93353 / PIR NF P 93352 |
| Decree          | 2004-924                         |

The NF marking certifies the product's compliance with the NF P 93-353 standard (3-4-step models), the NF P 93-352 standard (5-7-step models), and the NF096 framework.

Stabilisers with millimetric adjustment system
