

SHERPASCOPIC - BRACES GUARDRAIL

STURDY AND ALL-TERRAIN PLATFORM

The Sherpascopic work platform with folding guardrail is the benchmark for telescopic individual workstations, particularly in the most demanding environments.

Safety first: Sherpascopic top rails meet the requirements of the standards in force in France and Europe.

Comfortable working in any situation: Sherpascopic Braces are easy to transport, feature an intuitive height adjustment system, and provide perfect stability, even on uneven ground.

A responsible product: SHERPASCOPIC is the result of a design process which considered CSR challenges at every stage, from manufacturing to its end-of-life.
