

RAPTOR - Straps guardrail

Lightweight and compact platform

A bestseller on the market, the Raptor Straps working platform is popular amongst most trades. This lightweight and compact product is the most economic amongst our ranges.

Completely safe: Raptor Straps is fully compliant with the applicable French standards.

Smart: This platform features a detachable tray which can support weights up to 25 kg and its compact design makes it ideal for use in tight spaces.

Eco-designed: This product has been designed to respond to CSR challenges, such as sustainability, reparability, and recyclability.

Class	Professional
Use	Regular
Use	Flat surface
