

# RAPTORSCOPIC - BRACES GUARDRAIL

## VERSATILE COMPACT PLATFORM

Raptorscopic Braces is a product that steps up to meet professionals' needs (all trades). This lightweight, compact and versatile platform combines all of the qualities required by a professional individual workstation.

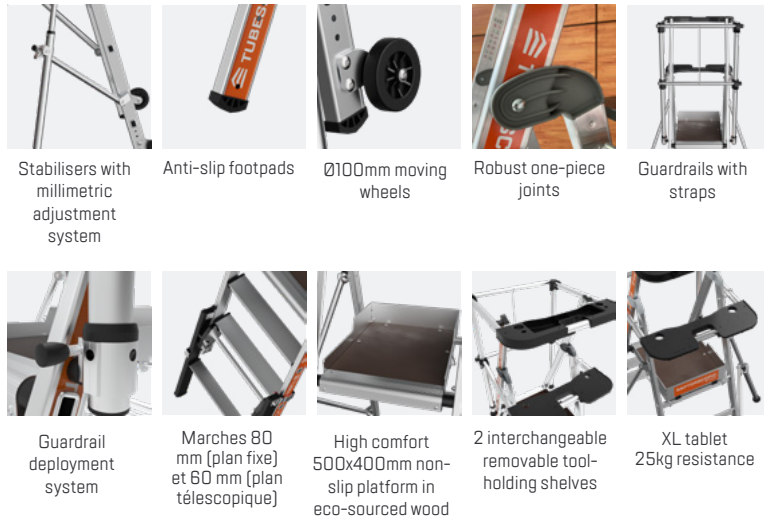

Safety first: Raptorscopic Braces meets all French and European safety requirements.

Practical: This platform features a detachable tray which can support weights up to 25 kg and an intuitive height adjustment system which allows it to adapt to various worksite set-ups.

Eco-designed: This product has been designed to respond to CSR challenges, such as sustainability, reparability, and recyclability.

Class	Professional
