

FOLDING SHERPASCOPIC - SALOON GUARDRAIL

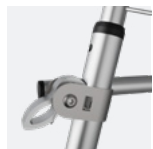

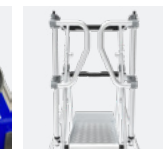

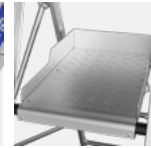

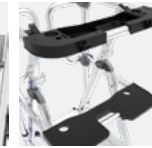

FOR MINIMUM SPACE REQUIREMENTS

The Sherpascopic with folding saloon guardrail is the telescopic work platform par excellence, especially for the most demanding sites. Its folding guardrail makes storage even easier. Safety comes first: This individual workstation complies with current French and European standards, and its saloon guardrail automatically closes and locks when the user passes. All-terrain comfort: The Sherpascopic has a large, optimised work area and is perfectly stable, even on uneven terrain.

A responsible product: The Sherpascopic Saloon was designed with social and environmental issues in mind.

Class	Professionnelle
Use	Ultra intensif
Use	Sol plat / Dénivelé
Material	Aluminium
Max load (kg)	150
Warranty (years)	5
Standard	EN 131-7 / PIR NF P 93352
Decree	2004-924

The NF mark certifies compliance with the NF P 93-352 standard and with the NF096 Framework.

				
Stabilisers with millimetric adjustment system	Sturdy covering footpads	Ribbed all-terrain wheels Ø175mm	Robust one-piece joints	Guardrail with gate Saloon-style with automatic closing
