

# MODUL ALUMINIUM

## TAILOR-MADE COMFORT

This stepladder with aluminium handrail is available with 1 to 5 steps to reach working heights of up to 3 metres. Its non-slip ribbed steps measuring 560 x 200 mm and its 560 x 400 mm platform make it one of the most comfortable stepladders on the market. Available with optional wheels.

- ▶ A complete range: 5 access heights with 2 types of step: ribbed aluminium or steel grating treads.
- ▶ Steps are interchangeable.
- ▶ This stepladder is an access product and not a workstation.
- ▶ Backup stepladders very often used in industry.
- ▶ Platform 560 x 400 mm and steps 200 mm wide offering high comfort.
- ▶ Handrails as standard or on option can be used to increase the antifall safety.
- ▶ For steel steps, contact us.
